Dear Estate Planner:

Welcome back to the Hoosier Hills Estate Planning Council (HHEPC) for the upcoming year! Our program committee is busy working on four programs which will be held on October 27 at Chapman's Restaurant and Banquet Center, February 16, at the Bloomington Country Club, May 17 at the Hotel Indigo in Columbus, and late July TBA. Typically each program provides two hours of continuing education credit for CFP, CPA, Insurance and Legal. Our first program will be presented October 27 at Chapman's Restaurant and Banquet Center in Bloomington. Our speaker is Rebecca M. Pryor, MSM, MA, RG. She will be speaking on the new guardian ad litem program and guardianship in the State of Indiana. We plan to continue our usual format of luncheon first followed by the afternoon seminar. We will keep you informed of the speakers and topics of our other programs as we confirm them.

Below is your annual renewal application for HHEPC. Please enter your current information, particularly the fax and e-mail address so we can continue to communicate with you this year. Once completed, promptly return the notice with your membership fee to insure that you will continue to receive the many benefits that the membership offers.

The 2011-2012 membership fee is \$110.00 and includes lunch and all four seminars for the current year. There is no additional charge for continuing education credits. The cost for non-members attending a seminar is \$60.00 per seminar.

As you renew your membership, please take the time to think of someone else in the community that would benefit from membership. The last line of your renewal form has space for potential member names and addresses. This is a great way to introduce at least one of your associates or friends to our organization. The stronger we become as an organization; the more informed we become as an estate planning community.

Sincerely,

Blake Reed
Membership Committee Chairperson
Hoosier Hills Estate Planning Council

2011-2012 Dues - \$110.00 per member
