## **ABOUT THE NAEPC EDUCATION FOUNDATION ...**

The **NAEPC Education Foundation** was formed in 2005 to educate the public regarding the benefits of the team concept of estate planning. The organization's primary objective is to educate the public on what estate planning is, why it is so important and how to develop a team of qualified estate planners to assist with their needs. This goal will be achieved through continuing education programs like conferences, seminars, forums and meetings about estate planning for practicing professionals and through quality public estate planning day programs in communities throughout the United States. By supporting this conference, you are reaching far beyond the benefits associated with the event and are truly helping to fulfill the mission of The NAEPC Education Foundation.

The **National Association of Estate Planners & Councils (NAEPC)** is a national organization of 1,500+ Accredited Estate Planner<sup>®</sup> (AEP<sup>®</sup>) and Estate Planning Law Specialist (EPLS) designation holders. Its 230+ affiliated estate planning councils and their 27,000+ members are focused on establishing and monitoring the highest professional and educational standards. NAEPC fosters public awareness of the quality services rendered by professionals who meet these standards. NAEPC supports the team approach to estate planning and assists The NAEPC Education Foundation in helping to spread awareness and understanding of the need for estate planning by a qualified team of professionals.

Visit [www.naepc.org](http://www.naepc.org) for more information about either organization.

## **CONFERENCE & LOCATION INFORMATION**

The 3-day conference program features one day devoted solely to affiliated local estate planning council leadership development. As such, the Wednesday, November 7, 2012 schedule is geared toward information for leaders from the affiliated councils throughout the country. Approximately 125 council leaders attend the sessions on Council Leadership Day. The remainder of the program is of a technical nature and will feature a talented collection of local and national speakers. Additional attendees will join for the technical education portion of the event with total attendance anticipated to be at or near 400. Each participant is a professional who devotes a major portion of his or her practice and business to estate planning. The conference will draw attorneys, trust officers, accountants, insurance and financial planners and planned giving professionals from across the country.

Soaring 27 stories above the world's favorite destination, Buena Vista Palace Hotel & Spa in the WALT DISNEY WORLD<sup>®</sup> resort raises the bar for exceptional quality and service in this sunny locale. Guests may take a refreshing dip in one of three outdoor pools, schedule a soothing treatment at the full-service spa and salon, or experience the thrill of world-famous Downtown Disney, with its vibrant shops, delicious restaurants, and exhilarating nightlife.
